DETAILED ACTION

An appeal conference was held on July 13, 2009 with conferees Eddie C. Lee, Hosain T. Alam and the Examiner. A decision was made not to go to the Board.

Upon further search, further consultation, and reconsideration, a decision was made to negotiate an Examiner's Amendment to put the case into condition for allowance.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Lynn Alstadt (Reg. No. 29,362) as referred from Janet D. Hood (Reg. 61,142) on 8 July 2009.

Secondary authorization for this examiner's amendment was given in a follow-up telephone interview with Lynn Alstadt (Reg. 29,362) on 17 July 2009.

The application has been amended as follows:

In the claims:

Claims 17-20, 23-26, 36, 38, 40-46 have been amended as follows:

Claim 17: replace "wherein" at line 2 with "comprising:".

Claims 18-20, 23-26, 36, 40-46: delete the word "patent" at line 1.

Claim 36: replace "portable" at line 4 with "portal"

Claim 38: replace "An" at line 1 with "A".

Claim 39 is canceled.

Claim 45: replace the phrase "data area not to be displayed" at lines 1-2 with "non-displayable area of the web page".

Allowable Subject Matter

Claims 17-20, 23-26, 36, 38, 40-46 are allowed.

The following is an examiner's statement of reasons for allowance: Applicant's arguments presented in the appeal brief filed 1/0/2009 have been considered and are persuasive. Prior art of record do not teach the combination of claimed elements as recited in independent claims 17, and 38. Dependent claims 18-20, 23-26, 36, 40-46 are allowed at least by virtue of their dependency from claims 17, 38.

Thus, prior art of record neither renders obvious nor anticipates the combination of claimed elements in light of the specification. After a further search and a thorough examination of the present application and in light of the prior art made of record, claims are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
